JIGU! THUNDER DRUMS OF CHINA is among the premiere Chinese drumming companies in the world today. In Chinese, *jigu* means to touch or beat the drum, and this amazing Group of performers continues to redefine their ancient art form, as they thrill audiences around the globe! Comprised of drummers, percussionists, and musicians from the birthplace of Chinese percussive arts in Shanxi Province, **JIGU! THUNDER DRUMS OF CHINA** performs a tour-de-force show, that is so moving and awe-inspiring, you can actually feel their music in your soul! This incredible attraction is a tried and true ticket-seller that sells out at virtually every venue they play. Follows a brief catalogue of **JIGU!
